SUMMER TERM 6 *Week 2 of 7*

## Mexico

Dear Parents,

What a great start back... We have introduced the Mexican theme with little tasters of music, snacks and travel. We have looked at the globe and discussed how we might travel. We have started to make our passports and ready to role-play airport and flights next week.

We have had our first Spanish lesson with Rachel and were amazed at how quickly the children absorbed the basic words. They were so excited to learn new words at Circle and snack time:

- Ola! (Hello)
- Mi nombre es... (My name is...)
- Que Pasa? (What's up?)
- Escuchar me (Listen to me)
- Por favour (Please)
- Gracias (Thank you)

This week we will be looking closely at the different animals and plants we might find in Mexico.

Spider monkeys, parrots, rattlesnakes, iguanas, cacti and orchids...

We will act like monkeys during music and movement and discuss why we think they are called Spider Monkeys.

We will make rattle snake shakers which will also act as maracas in our Mariachi band.

**PARENTS:** Do you play the guitar or trumpet? If so would you like to come in to show and demonstrate as part of our mariachi music band? We would love to hear from all our talented parents!
