**SUMMER TERM 6** Week 4 of 7

Dear Parents,

## Mexico

We have had a busy old week : keeping the garden tidy and visiting the post box to send off our lovely, decorated invitation postcards. They should reach you all this week. We have started some self-portraits in the style of Frida Kahlo with flower frames and pictures of our favourite pets and animals. – Please do send in pet photos for this activity as we will continue it in to next week.

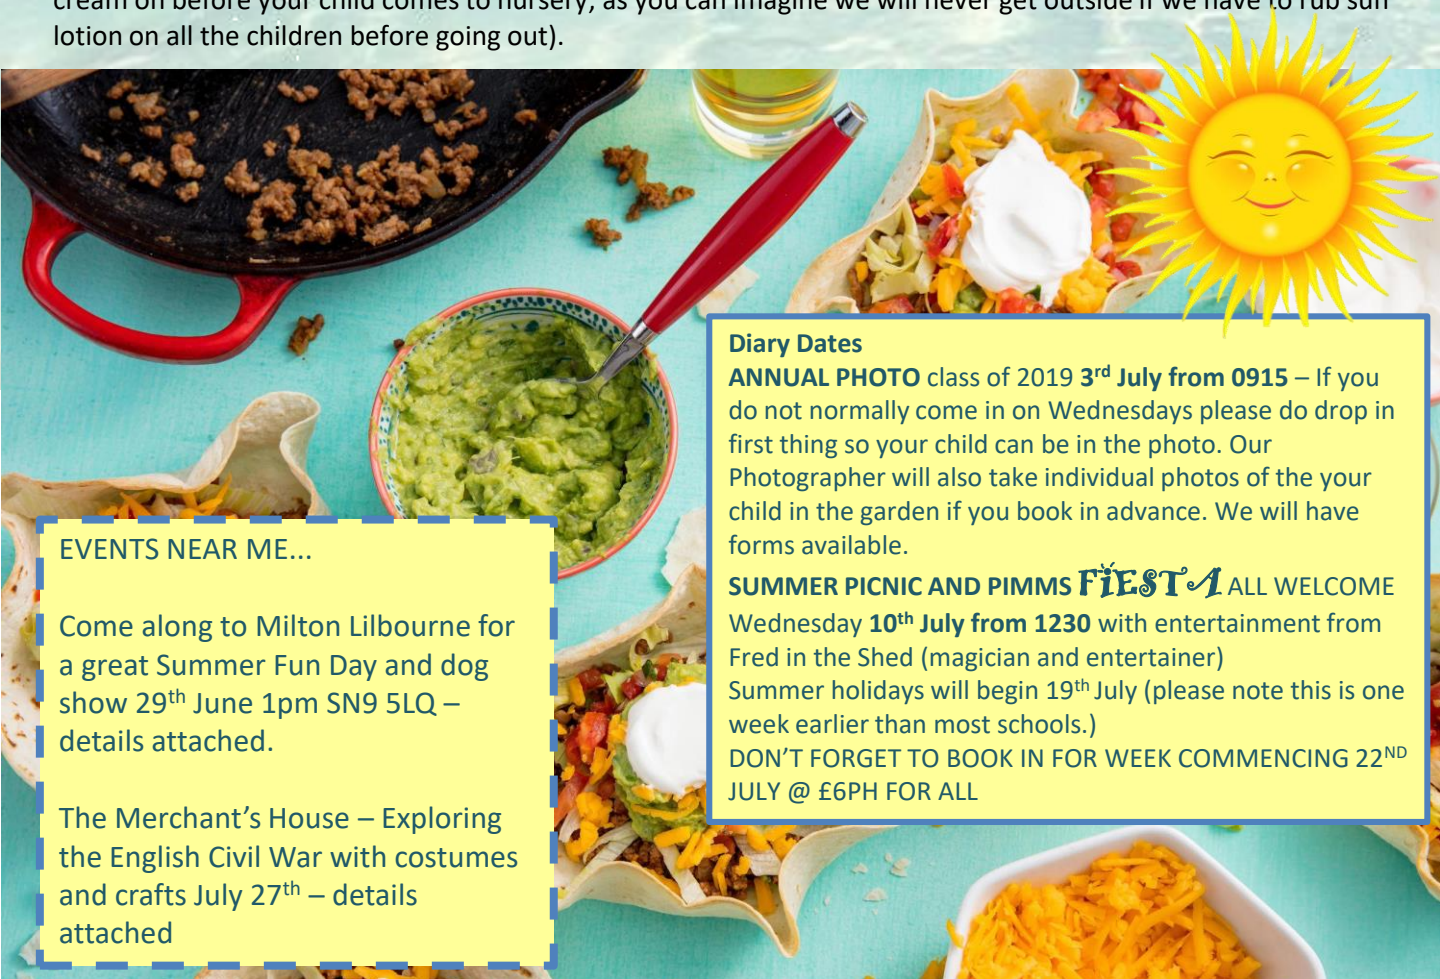

### THIS WEEK IS FOOD WEEK

At last – always our favourite week in the plan! We have already had a taste for cactus but this week we will make our own snack of tacos, nachos, burritos or quesadillas with cheese, home-made guacamole and salsa dips. We hope to encourage all the children to try new foods before rejecting them.

We will also try licuados which is a traditional smoothie with chocolate and bananas and ice. Introducing the origin of chocolate in preparation for the Mayans and Aztecs in week 5!

### SUN SMART

Our food preparation will be done first thing in the morning sessions as it is going to get HOT HOT HOT! PLEASE DON'T FORGET WATERPROOFS FOR THUNDER STORMS AND SUN HATS AND SUN CREAM (please put sun cream on before your child comes to nursery; as you can imagine we will never get outside if we have to rub sun lotion on all the children before going out).
