# TERMS AND CONDITIONS

To enable us to provide and maintain the highest standards of care for your child, we require all parents to be aware of and abide by the following terms and conditions:

## REGISTRATION AND FEES

Registration of your child at the nursery requires a deposit of £30 which is non-refundable.

Children are required to attend a minimum of two sessions a week to enable your child to build relationships and understand our routines.

Fees are invoiced termly in advance and must be paid by the first day of term.

Fees can be paid by cash or BACS. Scheduled instalments can be negotiated on an individual basis.

We accept vouchers from most salary sacrifice schemes.

Additional sessions can be booked ad-hoc and will be invoiced at the standard hourly rate and must be paid on the day unless otherwise agreed.

If you are receiving 15/ 30 hours funding please check our separate funding policy.

Parents are responsible for re-validating 30 hour funding codes or risk being invoiced for the term at the standard rate.

## ABSENCES, LEAVE & CONTACT DETAILS

If your child becomes ill during a nursery session we will call the parent or the emergency contact for your child to be removed at the earliest opportunity. No refunds or swap days are given due to illness.

We are unable to swap sessions or refund fees should you choose to keep your child away from nursery for any reason e.g. holiday or outing.

If you decide to leave College Fields Nursery at any point, please be advised that you will have to give one term's notice and will not be refunded.

Continuous late pick ups without prior booking, will incur a charge due to staffing arrangements.

Absences should be notified to the nursery by 9.30 a.m.

In cases of emergency (e.g. Fire) we will follow emergency evacuation procedures and the child's main carer will be asked to collect the child immediately.

Keep us informed of any changes in your circumstances, which may affect your child's enjoyment at nursery.

Keep all contacts and changes to addresses or mobile phone numbers current.

## SAFEGUARDING

We will not allow any child to leave the nursery with someone other than named people on the application form unless we have prior notification with a name, car registration and description of the person collecting the child.

In accordance with child protection guidelines, College Fields is under an obligation to report to Social Services any serious cause for concern of actual or likely significant harm against a child. This can be done without informing the parent or guardian if we believe that informing them may put the child in danger.

College Fields operates a confidentiality policy. A child's registration and early years profile is kept securely at College Fields. Some confidential information may need to be shared with key staff or with shared settings.

Our complaints policy is displayed in the entrance hall. If the complaint cannot be resolved by the nursery you can call Ofsted 0845 404040

We check our premises every session for safety. Please help us by double bolting the garden gate every time.

College Fields maintains insurances required by law. Copies of the current employer's liability and public liability insurances are displayed in the entrance hall.

## DAY TO DAY

Children will often get messy or wet during the day so please dress your child accordingly. Be prepared for all weathers for outdoor play.

Snacks are provided at morning and afternoon break. We can cater for all special dietary requirements.

Children with long hair should keep it tied back when coming to nursery.

Nappies are not provided. Please put 2 or 3 in your child's bag for a full day.

Long lasting sunscreen must be applied before coming to nursery in Summer Term and appropriate cover up clothing worn in very hot weather. Please supply a named hat.

Please do not let valuable mementoes come to the nursery, as they are always popular, and we cannot accept responsibility for damage to children's toys or loss of property.

Every child aged 3 or 4 is currently entitled to 15 funded hours funded at any nursery setting. The funding covers the care and education of your child but does not include any sundries or business costs.

Due to the nature of the funding:

**We ask all Parents to contribute £2 per funded hour**

**(unless claiming current Better Together 2 year olds funding)**

**In order to cover the additional costs of healthy snacks, quality activities and materials and our annual events.**

Working Parents can also apply for **30 hours** of funded care and will be responsible for applying and supplying us with a code so we can access the funding. This must be done before the intended start of term. Parents must be responsible for updating their status and validating their code or risk being charged the full session rates.

We accept **Better Together funded 2 year olds** which requires a personalised code for your child. This will be issued by the council on proof of your eligibility. In April 2024 All 2 year olds will receive 15 hours the term following their 2<sup>nd</sup> birthday.

If your child also attends another nursery setting we are happy to split the grant entitlement between us and your other chosen nursery. To do this we will need the name and contact details of the other setting, Nanny or childminder and the number of hours you wish to claim from each of us.
